OCEAN (CARIBBEAN) DISTRIBUTORS, INC.

Ocean (Caribbean) Distributors, Inc., is an SBA 8(a) and WOSB certified company. We deliver and manage supply chain goods for personal care toiletries, healthcare and medical supplies, as well as tactical & safety gear. Electric vehicles now represent one of the most crucial pivots toward the future of transportation. We are pleased to offer EVSE to include charging plugs, charging cables, charging boxes and adapters. Since the 1990's we have assisted small in-house brands to scale to the demands of their customers. One of the more successful brands was Tiv Fragrance. Tiv's biggest customer was Hecht's Department Stores (now Macy's), a \$12 billion retail operation with locations across the U.S. Ocean (Caribbean) was agile enough to scale them to a 64 store rollout. As a successful vendor for a major retail giant, we remain qualified to navigate this very complex process.
